### INSTRUCTIONS

VERSATLE can be used as a mild spray solution or full strength wash. Just adjust the strength to fit your particular cleaning job. Start with the recommended dilutions, but you may find it necessary to use more or less cleaner to adjust to varying cleaning problems. For the small job, apply VERSATLE to damp cloth or sponge and wipe. For the very tough job on hard surfaces dilute VERSATLE 2 to 10 and use Scotch Brite scour pad as needed on barbecue grills, stoves, burners, ovens, grates, pots and pans and buildup of soap mold and mildew on bathroom shower area.

Recreational equipment such as vans, campers, boats, RVs, tents, sleeping bags, hunting, fishing and sporting equipment can benefit from the use of VERSATLE for exterior cleaning problems, and interior cleaning of carpets, ovens, upholstery and mildew. Great for removing tree stains, mildew, mold and dirt from portable awnings on mobile homes and semi-tractors. Great for any baked-on enamel surface.

To remove most stains, dilute Versatle 2 to 30 with cold water; moisten stained area; leave for a few seconds then wipe dry. Repeat as necessary. Versatle will remove the following types of stains: *soft drinks, chocolate, tea, coffee, milk, cream, iodine, jam and jelly, ketchup, adhesive tape, margarine, butter, shoe polish, salad dressing, mayonnaise, pencil and crayon marks, soap, spaghetti sauce, urine, soups, mustard, egg and more.*

### GENERAL CLEANING

VERSATLE diluted 2 oz. to 30 oz. of water is a General All Purpose Cleaning Mixture. Spray your counter-tops, furniture, paneling, wood-work walls, upholstery, appliances, light fixtures, ceramics, stainless steel, patio and pool furniture, Venetian blinds and any metal surface. Spray mist and wipe dry.

VERSATLE may be used full strength for tough problems such as rust, road tar, driveway cleaning, degreasing car engines, glue and soap buildup. Apply to area to be cleaned and let stand for up to five minutes, then wipe off with clean cloth. On any metal surface such as motorcycles, house siding, autos and trucks, etc., **do not use full strength in hot sun or while surface is hot**, let it cool down, spray with cold water hose and then apply VERSATLE, hose again.

### CLEANING SMEAR PROOF WINDOWS & MIRRORS

1. Apply VERSATLE diluted 1 oz. to 1 gallon (128 oz.), or 1/4 oz. to 1 quart (32 oz.) water with spray mist or cloth.
2. Use clean, dry cloth to buff glass completely dry. (This mixture can also be used for windshields, bathroom mirrors, motorcycle guards, swimming masks or goggles, eye glasses, TV screens, ceiling fixtures, etc.) Cleans and protects in a single action. Helps resist 75-80% of natural hand oils of unwanted fingerprints.

### PLASTIC, PLEXIGLASS, FIBERGLASS & VINYL

VERSATLE diluted 2 oz. to 30 oz. water is an excellent cleaner of all plastic products, for porous and textured surfaces. Use a soft brush for problem areas.

### CARPETING

NOTE: Always test for colorfastness when using VERSATLE on carpets, upholstery, fabrics, and spot cleaning. VERSATLE can also be used to clean carpeting, either as an individual stain spot, or can be used to do an entire room. Some of the common stains VERSATLE can remove are: grease, wine, liquor, soda, pet stains, gum, oil, coffee, glue, paint, grape juice, candle wax, some inks, vomit, water stains and hair dye.

### TO REMOVE STAINS FROM CARPETING

1. Spray a solution of 2 parts VERSATLE to 30 parts water onto stain; let it stand for 20 seconds; 2. Cover with towel; step on it with a twisting motion to soak up stain. 3. Rub dry with second towel; repeat if necessary until stain is removed.

### TO REMOVE CHEWING GUM, CANDLE WAX OR HARD GLUE

1. Take a pin or sharp instrument and punch holes in object.
2. Dilute VERSATLE 2 oz. to 30 oz. water. Spray on objects and let stand for two minutes to emulsify. Use nylon brush to help remove.

### TO CLEAN CARPET WITHOUT MACHINE

1. Vacuum carpet.
2. Dilute VERSATLE 2 parts to 10 parts water for badly soiled carpet. For regular carpet cleaning, use 1 part VERSATLE to 15 parts water.
3. Apply with soft bristle brush or sponge mop to loosen soil.
4. Wipe badly soiled areas with clean towel if necessary.
5. Vacuum.

### TO CLEAN CARPET WITH MACHINE

1. Vacuum carpet.
2. Dilute VERSATLE 2 parts to 30 parts water. Pre-spot heavily soiled areas.
3. Add same mixture to machine. (For best results lightly spray a 12 x 12 area with garden sprayer before using machine. This gives VERSATLE time to break up soil.)
4. Use machine slowly - move at a slow pace.

### TO CLEAN CARPET WITH STEAM EXTRACTION SYSTEM

The use of hot water or "steam extraction" systems have shown considerable growth in past years. Often referred to as "steam" cleaning, this system does not actually use steam, but rather hot water under pressure. This hot water is immediately vacuumed up, bringing with it loosened and dissolved soil. VERSATLE is excellent for this type of cleaning. Dilute VERSATLE 2 oz to 30 oz. of water for this type of cleaning. If heavily soiled, you may want to go to a 2 oz. VERSATLE to 15 oz. of water mixture.

### TO CLEAN JEWELRY

(Diamonds, Gold, Silver)

For the ultimate cleaning and care of fine jewelry, VERSATLE is a must. Dilute 2 oz. VERSATLE to 10 oz. water in a bowl or jar. Immerse jewelry for five minutes. Remove and scrub with old toothbrush. Rinse with water and buff dry with cotton cloth. The shine and sparkle will amaze you.

### SWIMMING POOLS

VERSATLE will remove sun tan lotions and body oils from upper walls of pool interior. Dilute VERSATLE 2 oz. to 30 oz. water, spray on sponge and rub walls. Before painting pool, VERSATLE will remove dirt and grime from pool surface and is an excellent prepaint bonder. Dilute VERSATLE 2 oz. to 30 oz. of water, stronger if desired. Scrub surface with brush and hose off.

## TO CLEAN FURNITURE UPHOLSTERY & AUTO INTERIOR

Note: Always test for colorfastness when using VERSATLE on carpets upholstery, fabrics and spot cleaning.

1. Vacuum area to be cleaned.
2. Dilute VERSATLE 2 oz. to 30 oz. water.
3. Spray mist VERSATLE cleaner on surface, let stand for one minute and wipe or pat dry with clean cloth. Repeat as necessary.

## TO CLEAN VENETIAN BLINDS

1. Remove blinds.
2. Hang on clothes line or lay on table or bench.
3. Dilute VERSATLE 2 oz. to 30 oz. water.
4. Spray mist starting at top proceeding to bottom.
5. Let stand for five minutes.
6. Spray off with water hose and repeat as necessary.
7. Let dry and hang back up.

## TO CLEAN VINYL & CONVERTIBLE TOPS

1. Dilute VERSATLE 2 oz. to 30 oz. water. If heavily soiled, 2 oz. VERSATLE to 10 oz. water.
2. Spray mist VERSATLE over area to be cleaned. (Work in a small area.)
3. Scrub top with brush giving VERSATLE time to break up soil and mildew.
4. Rinse with clean water.

## FOR PRE-WASH & LAUNDRY

To boost cleaning power of regular detergents (powder or liquid) on grass stained clothes, work clothes, diapers, grease spots or heavily soiled clothes, add 2 oz. VERSATLE with regular load. For tough stains, dilute VERSATLE 2 parts to 10 parts water and moisten problem area, rub in and wait a few minutes, put in laundry as usual.

## TO CLEAN BOATS, MOTORCYCLES, ETC.

1. Dilute VERSATLE 2 oz. to 10 oz. water.
2. Apply with cloth or sponge, working soil loose.
3. Rinse thoroughly with pressure hose. Buff surface dry. (Do not clean metal in direct sun or when metal is hot.)

## TO CLEAN CONCRETE DRIVEWAYS

(Do not use on asphalt)

Dilute VERSATLE 2 oz. to 30 oz. water. If heavily soiled, dilute VERSATLE 2 oz. to 10 oz. water. Use a strong bristle brush. You may have to repeat if concrete is rough and grease has worked into rough area. Allow five to ten minutes to break up soil and hose off. Repeat if necessary. If fresh oil has absorbed into concrete it may leave a wet look although all surface oil is removed. Let dry a few days in hot sun and repeat. If concrete has totally absorbed soil, you will not be able to remove the stain.

## TO CLEAN METAL SURFACES

1. Dilute VERSATLE 2 oz. to 30 oz. water. (If oxidation, mildew, grease, oil or diesel oil is present dilute 1 oz. to 10 oz. water.)
2. Dip sponge (sponge mop for higher areas) into solution and wipe clean.
3. Spray mist with hose and let dry or towel buff.

You may want to spray with liquid wax after this procedure to bring to shine.

## TO CLEAN FLOORS

Cleans all washable floors, including no-wax floors, linoleum, vinyl, ceramic tile painted and unpainted surfaces.

1. Dilute VERSATLE 2 oz. to 30 oz. water or 8 oz. per gallon in warm water.
2. Pre-soak heavily stained area and allow five minutes to soak.
3. Mop floor and allow to dry.

## TO STRIP LINOLEUM, TILE & WOOD FLOORS

1. Dilute VERSATLE 2 oz. to 10 oz. water.
2. Sponge mop floor.
3. Let stand three to four minutes.
4. Use Scotch Brite scour pad if done by hand or strip with abrasive buffer.
5. Mop with 2 oz. VERSATLE to 30 oz. water and let dry.

## TO CLEAN AIR CONDITIONING COIL

1. A dirty condenser coil is a major source of compressor failure. VERSATLE can help you avoid this costly procedure.
  2. Turn power switch off.
  3. Dilute VERSATLE 2 oz. to 10 oz. water.
  4. Use forceful spray and spray into coil, starting at top moving to bottom.
  5. Let stand five minutes.
  6. With garden hose, spray coil off.
- Turn power back on, **BUT WAIT 30 MINUTES TO START UNIT.**

## TO DEGREASE CAR ENGINES

1. Dilute VERSATLE 1 part to 5 parts water.
2. Spray on engine or engine parts when cool.
3. Let stand five minutes for VERSATLE to break up grease, oil and soil.
4. Rinse with pressure hose.

## TO CLEAN OVENS, STOVES & GRILLS

1. Heat up to 110 degrees.
2. Dilute VERSATLE 2 parts to 10 parts water. Apply moderately.
3. Leave on for five minutes.
4. Let cool and wipe thoroughly using clean damp cloth.
5. Use Scotch Brite scour pad if needed.
6. Repeat if necessary.

## HELPFUL HINTS

Use Terry cloth towel for best results. After cleaning vinyl or wood with VERSATLE, use lemon oil or petroleum jelly to bring back the natural shine. Never use in direct sunlight or under hot lights.
